Dear Friends of MCE,

For over 20 years MidCity Excellence (MCE) Community Learning Center has been providing tutoring, mentoring, and performing arts activities for inner city and at-risk children in our community. Every year the Center serves over 200 youth and their families with a goal of breaking the cycle of poverty, drug use and suicide that are constant challenges for many of our community youth. Strong emphasis is placed on the importance of completing high school or obtaining a GED/HiSET diploma. Former program participants include small business entrepreneurs, franchise owners, doctors, and non-profit executives. In addition to youth services, parenting and financial literacy classes help parents obtain skills that are needed to raise and support successful families.

MCE will be hosting the first annual MCE Gift of Hope Benefit on October 15, 2022. This event will provide funds needed to continue and expand current programming. The event will be held at the St Joseph Country Club and will include live entertainment, a silent auction and dinner.

We would like the opportunity to discuss with you our sponsorship opportunities. Sponsorship information, including levels of support, is enclosed for your review. MCE is a 501 c (3) non-profit with all contributions tax deductible. I will be contacting you in the next few days to answer any questions you may have. Thank you in advance for your support.

**Sincerely,
Sponsorship Committee**

MidCity Excellence transitions at-risk youth into adulthood for academic success, emotional stability, and to discover purpose and value through Christian-based principles.
